KOZGUN

Learning Objectives:

- Discuss incidence of the disease in our patient population
- Discuss etiology of Charcot with an emphasis on peripheral neuropathy and how this contributes to disease progression
- Discuss the abnormal biomechanics, specifically at the mid-foot, and the forces that exacerbate the Charcot process
- Discuss the imaging modalities that can be used to evaluate Charcot neuroarthropathy

Accreditation: The Inova Office of Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

Learning Objectives:

- Review current concepts of surgical intervention for rearfoot and ankle Charcot arthropathy
- Differentiate severity of Charcot arthropathy from non-neuropathic fracture/dislocation
- Discuss literature review for internal and external fixation constructs for reduction and stabilization of resultant deformities

Credit Designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
