Children's National

Title of Course: Pediatric Pulmonology: State-of-the-Art

Sponsoring Department(s): Pulmonary & Sleep Medicine, Children's National Hospital Washington DC (Children's National Hospital) & Pediatric Pulmonology, Miller School of Medicine, University of Miami

Title of talk: "Complicated Pneumonia in the Era of Pneumococcal Conjugated Vaccine"

TEXT Code TAPMUC to 703-260-9391

Dr. Andrew Colin Miami, Florida, USA

Day: Friday Date: June 9th, 2023

Learning Objectives:

1. Recognize the nature, changing frequency, etiology, radiological presentation, and complications of necrotizing pneumonia in childhood.

2. Understand the various presentations of pleural effusion/empyema and the multiple approaches to treatment.

3. Understand the complex interplay between necrotizing pneumonia and the associated pleural effusion and how it reflects on therapeutic considerations.

4. Understand the role of pneumococcal vaccination in the changing epidemiology of complicated pneumonias.
