Regional Seminar Series

Division of Neonatology

Instructional Design: Active Learning Strategies and Flipped Classrooms

Kirsten Brown, PhD

George Washington University

Frank N. Miller Distinguished Teaching Professor

Associate Director, Teaching and Learning Resources and Career Development

Associate Professor of Anatomy and Cell Biology

**Date: September 13,
2023**

Time: 3:15-4:15pm

Learning Objectives:

After this session, learners will be able to:

1. Identify the major components of effective instructional design.
2. Recognize active learning strategies to incorporate into your own teaching (e.g., flipped classrooms).
3. Refine the design of a teaching session to reflect the required components.

Target Audience:

Pediatricians, Neonatologists, Neonatal Nurses, Neonatal Nurse Practitioners, Neonatal Physician Assistants

[Text code **NAFVOM** to 703-260-9391]

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Society of Virginia (MSV) through the joint providership of Inova Office of Continuing Medical Education and Children's National Medical Center. The Inova Office Continuing Medical Education is accredited by the Medical Society of Virginia to sponsor continuing education for physicians.

Credit Designation: The Inova Office of Continuing Medical Education designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™.
