

RSS Activity Name: Children's National Responsible Conduct of Research

Session Title:

Informed Consent in cellular and gene therapies:
How informed is informed?

Speaker(s) Name:

Diana Bharucha-Goebel, MD, David Jacobsohn, MD, ScM, MBA, and Michael Keller, MD

Session Date:

September 28, 2023

Time/Location: 3-4pm

Zoom Webinar:

<https://childrensnational.zoom.us/j/75474946253>

Learning Objectives:

1. Understand cellular and gene therapy risks, benefits, and opportunities.
2. Understand the unique ethical challenges in unique to gene replacement therapy clinical trials especially in rare and ultrarare disease populations.
3. Discuss ethical considerations regarding enrolling vulnerable populations, including critically ill patients and their families on investigational clinical studies.

Target Audience:

As a condition for receiving federal funding for health research training grants and career development awards, federal funders (including NIH, DOD, and NSF) mandates all participants in training grants to receive training in RCR. mandates all participants in training grants.
