## Regional Seminar Series

Division of Neonatology

# The Role of the Intensivist in Fetuses Diagnoses with Congenital Heart Disease

Presented by Michelle Udine, MD

**Date: November 29,  
2023**

**Time: 3:15-4:15pm**

### Learning Objectives:

After this session, learners will be able:

1. Identify fetuses with congenital heart disease at high risk for hemodynamic compromise in the delivery room and participate in multidisciplinary planning for the location and timing of high-risk deliveries.
2. Describe the neonatologists'/intensivists' roles in prenatal counseling, delivery room management, and immediate postnatal care for fetuses prenatally diagnosed with congenital heart disease.

### Target Audience:

Pediatricians, Neonatologists, Neonatal Nurses, Neonatal Nurse Practitioners, Neonatal Physician Assistants
