

Children's National™

## Children's National Pediatric Hospital Medicine Faculty Development and Education Series

# Factors Associated with Actionable Gastrointestinal Panel Results in Hospitalized Children

Dr. Craig DeWolfe & Dr. Margarita Ramos

Dec 14<sup>th</sup>, 2023

2:00 pm – 3:00pm

Virtual: Zoom

### Learning Objectives

- Apply EBM Methods to develop a focused clinical question & find appropriate evidence
- Describe multivariable regression analysis & its application to studying multiple dependent variable at once
- Assess the impact of this study on your likelihood of ordering a GI pathogen panel PCR on your next patient
- Identify opportunities to study how racism, ethnic discrimination and other social determinants of health could factor in the use of GI PCR diagnostic testing in children with AGE

### Target Audience

Pediatric Hospitalist Providers
