

Trauma Multidisciplinary PIPS Committee

Trauma Acute Care Surgery

Case Presentations

Stephen Varga, MD

Monday, December 11, 2023

12:30pm – 1:30pm

Teams Virtual Meeting

Learning Objectives

- Discuss the current standards of care of the critically ill trauma patient, as well as identifying new research and evidence-based treatments that are being attempted by other Level 1 Trauma Centers.
- Allow for review of cases with adverse outcomes to identify issues with quality of care. This forum also allows for the discussion of new treatment options for the traumatic patients.
- Gain knowledge and growth of trauma systems.
- Evaluate current patient care and identify areas of quality improvement.

Target Audience

Surgeons, primary care, internal medicine, residents, physician assistants, nurse practitioners, and medical students.

To claim credit, text code **KAVPUP** to 703-260-9391
