9437
Passcode: 3932

Dr. Micah Park is a current child and adolescent psychiatry fellow at Children's National Hospital. She completed her medical training at UT Health San Antonio Long School of Medicine and her general psychiatry residency at Texas Tech University Health Sciences Center in Lubbock.

Learning Objectives:

By the end of this talk, participants will be able to:

1. List the definition of parental alienation
2. Identify potential cases of parental alienation
3. Assess a child with parental alienation relational problem

Audience:

Psychiatrists, Psychologists, Neuropsychologists, Child and Adolescent Psychiatry fellows,
Psychology Doctoral Interns

Accreditation Information: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of INOVA and Children's National Medical Center. The INOVA Office of Continuing Medical Education is accredited by the MSV to provide continuing medical education for physicians. Children's National Medical Center is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Psychology Registration and CE credit: All confirmed participants will earn one (1) CE credits (Instructional Level, Intermediate Learning) upon successful completion of the seminar and evaluation. Any questions, please email PsychologyCE@childrensnational.org.

Credit Designation: Children's National Hospital is approved by the American Psychological Association to sponsor continuing education for psychologists. Children's National Hospital maintains responsibility for this program and its content.

Children's National.
