Target audience:

Attending Physicians, Fellows, Residents, and Medical Students

Learning objectives:

- Develop a differential diagnosis and initial management plan for an infant with 4 days of fever and shock
- Appraise current evidence regarding diagnosis and management of condition of interest
- Discuss diagnostic uncertainty related to condition of interest, particularly in the < 6 months age group
- Debate decision for initiating treatment in the setting of diagnostic uncertainty

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Society of Virginia (MSV) through the joint providership of Inova Office of Continuing Medical Education and Children's National Medical Center. The Inova Office Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
