Children's National Pediatric Hospital Medicine Faculty Development and Education Series

“The Role of Bias in the Evaluation of Common Symptoms in a Community Hospital”

Dr. Katherine Layton & Dr. Olivia Owusu-Boahen

February 29, 2024

2:00 pm – 3:00pm

Virtual: Zoom

Learning Objectives

- Analyze the role of cognitive bias in the evaluation of common symptoms in an uncommon diagnosis.
- Dissect the influence of multiple providers in interprofessional communication/collaboration.
- Discuss how the family's perception of their child's illness can influence our investigate and management approach.
- Explore the challenges of providing pediatric care in a community hospital

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Society of Virginia (MSV) through the joint providership of Inova Office of Continuing Medical Education and Children's National Medical Center. The Inova Office Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing education for physicians.
