Learning objectives:

- Learn the common types of braces and casts used to treat patients in pediatric orthopedics out-patient clinics
- Understand indications for use, appropriate fitting, and patient questions to assess commonly used braces and casts
- Recognize complications associated with braces and casts in children and learn how to trouble-shoot these issues to improve patient care and safety

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Society of Virginia (MSV) through the joint providership of Inova Office of Continuing Medical Education and Children's National Medical Center. The Inova Office Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
