Target audience: DC, MD, VA providers

Learning objectives:

- 1) Identify diagnostic and treatment considerations for youth with complex ADHD, including youth with co-existing psychiatric and neurodevelopmental conditions.
- 2) Describe strategies for minimizing adverse effects of changing stimulants, especially when such changes are needed due to medication shortages.
- 3) Identify common psychoeducational strategies and supports helpful for youth with ADHD.

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Society of Virginia (MSV) through the joint providership of Inova Office of Continuing Medical Education and Children's National Medical Center. The Inova Office Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
