to 703.260.9391**

### Target audience:

Attending Physicians, Fellow Residents, Medical Students

### Learning objectives:

- Develop a differential diagnosis for acute and chronic respiratory distress in infancy
- Discuss therapies targeting chronic respiratory insufficiencies in childhood
- Understand the complex evaluation processes for organ transplantation consideration
- Apply the transplantation evaluation process to patients awaiting lung transplantation in Pediatrics
- Analyze the need for life saving organ transplantation in Pediatrics based on age and related diseases

**Accreditation:** The Medical Society of Virginia is a member of the Southern States CME Collaborative, an ACCME Recognized Accreditor. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Southern States CME Collaborative (SSCC) through the joint providership of Inova Health System Office of Continuing Medical Education and Children's National Hospital. Inova Health System Office of Continuing Medical Education is accredited by the SSCC to provide continuing medical education for physicians.

**Credit designation:** The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
