Target audience: The Conway Chair Conversations are designed to engage us in lively Discussions and demonstrations about developing research ideas and solving the challenges that can confront taking that idea into a research study. This series of monthly research discussions feature a different topic each month. Attendees can actively shape the ideas and influence their development.

Learning objectives:

1. Explain the difference in pediatric rural vs. urban Appalachian hospice accessibility.
2. Identify differences in rural vs. urban Appalachian costs for children in hospice care.

Accreditation: The Medical Society of Virginia is a member of the Southern States CME Collaborative, an ACCME Recognized Accreditor. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Southern States CME Collaborative (SSCC) through the joint providership of Inova Health System Office of Continuing Medical Education and Children's National Hospital. Inova Health System Office of Continuing Medical Education is accredited by the SSCC to provide continuing medical education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
