

Transplant Day 2024

Friday, November 1, 2024 | 7:30 AM-5:00 PM | IFMC Physician's Conference Center

Purpose: Provide an opportunity to learn from transplant experts regarding the care of heart, lung, kidney, and multi-organ transplants from evaluation to life-long management; allow transplant professionals to highlight their work and research within the multidisciplinary team to optimize and improve the care of this complex patient population

Topic	Time
Registration/Breakfast	7:30 AM – 8:00 AM
Welcome address from hospital leadership	8:00 AM – 8:15 AM
Mini “State of the Union” with transplant physicians	
Heart	8:15 AM – 8:30 AM
Lung	8:30 AM – 8:45 AM
Kidney	8:45 AM – 9:00 AM
Referral, evaluation, and listing for transplant	
Who is referred for transplant?	9:00 AM – 9:15 AM
“Evaluation Day” panel discussion with social worker, finance, dietitian, palliative care, pharmacy, infectious disease, transplant coordinator, and other consultants	9:15 AM – 10:00 AM
“Mock committee meeting,” listing, and waitlist management	10:00 AM – 10:10 AM
Q&A with panel	10:10 AM – 10:15 AM
Snack break in sponsor hall	10:15 AM – 10:30 AM
Donor selection, transplant surgery, and hospital stay	
The donation process	10:30 AM – 10:45 AM
Organ allocation and matching system	10:45 AM – 11:00 AM
Organ recovery process	11:00 AM – 11:15 AM
Transplant surgery	
Thoracic	11:15 AM – 11:30 AM
Abdominal	11:30 AM – 11:45 AM
Immediate post-operative care of the transplant patient	
Thoracic	11:45 AM – 12:00 PM
Abdominal	12:00 PM – 12:15 PM
Lunch	12:15 PM – 1:15 PM

Introduction to immunosuppression medications	1:15 PM – 1:30 PM
Lifelong management of the transplant patient	1:30 PM – 2:00 PM
Multi-organ transplantation at Inova	2:00 PM – 2:15 PM
Social disparities/ethical considerations in transplant	2:15 PM – 2:30 PM
Snack break in sponsor hall	2:30 PM – 2:45 PM
Breakout sessions	
Heart	
Introduction to donation after cardiac death	2:45 PM – 3:00 PM
Infectious disease case study	3:00 PM – 3:15 PM
Heart transplant in adults with congenital heart disease	3:15 PM – 3:30 PM
LVAD: Bridge to transplant	3:30 PM – 3:45 PM
Lung	
Post transplant considerations based on pre transplant disease process	2:45 PM – 3:00 PM
Introduction to ex vivo lung perfusion	3:00 PM – 3:15 PM
Infectious disease case study	3:15 PM – 3:30 PM
Interventional pulmonology	3:30 PM – 3:45 PM
Kidney	
Dialysis social worker for referral process	2:45 PM – 3:00 PM
Living organ donation	3:00 PM – 3:15 PM
Robotic surgery	3:15 PM – 3:30 PM
Infectious disease case study	3:30 PM – 3:45 PM
Connecting transplant recipients with donor families	3:45 PM – 4:10 PM
Patient panel	4:10 PM – 5:00 PM
