Learning objectives:

- Review ED volume trends, mortalities, and medical examiner cases since last M&M
- Use recent ED cases to discuss management and stabilization of critically ill patients, specifically:
- Review ED trends in volume, admissions, LWBS, mortalities since last M&M.
- Discuss features of a clinical case that resulted in cardiopulmonary resuscitation and death.
- Discuss features of a clinical case that resulted in neurologic deterioration.
- Describe evidence behind clinical decision options encountered with low acuity patients
- Discuss practice variation among common pediatric presentations

Accreditation: The Medical Society of Virginia is a member of the Southern States CME Collaborative, an ACCME Recognized Accreditor. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Southern States CME Collaborative (SSCC) through the joint providership of Inova Health System Office of Continuing Medical Education and Children's National Hospital. Inova Health System Office of Continuing Medical Education is accredited by the SSCC to provide continuing medical education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 2.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 2.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
