Target audience: Pediatric Emergency Medicine attendings, associates and fellows

Learning objectives:

- Review epidemiologic trends of syphilis as an emerging threat
- Formulate a treatment plan for a child with congenital syphilis
- Discuss proposed "Congenital Syphilis" PowerPlan
- Demonstrate ability to document information confidentially and file necessary reports to tracking agencies
- Know the key elements of the identification and management of suspected sexual abuse/assault
- Explain why the anogenital exam may not demonstrate clear signs of sexual abuse
- Identify conditions that may be mistaken for sexual abuse

Accreditation: The Medical Society of Virginia is a member of the Southern States CME Collaborative, an ACCME Recognized Accreditor. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Southern States CME Collaborative (SSCC) through the joint providership of Inova Health System Office of Continuing Medical Education and Children's National Hospital. Inova Health System Office of Continuing Medical Education is accredited by the SSCC to provide continuing medical education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
