Target audience: Surgeons, primary care, internal medicine, residents, physician assistants, nurse practitioners, and medical students.

Learning objectives:

- Discuss the current standards of care of the critically ill trauma patient, as well as identifying new research and evidence-based treatments that are being attempted by other Level 1 Trauma Centers.
- Allow for review of cases with adverse outcomes to identify issues with quality of care. This forum also allows for the discussion of new treatment options for the traumatic patients.
- Gain knowledge and growth of trauma systems.
- Evaluate current patient care and identify areas of quality Improvement.

Accreditation: The Inova Office of Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
