Target audience: Pediatric Emergency Medicine attendings, associates and fellows

Learning objectives:

1. Understand the common types of fractures in pediatric patients.
2. Recognize the unique aspects of managing fractures in pediatric patients compared to adults.
3. Develop skills in assessing and diagnosing fractures in pediatric patients.
4. Understand the unique anatomical and developmental considerations of the pediatric cervical spine.
5. Develop proficiency in assessing and diagnosing cervical spine injuries in pediatric patients.
6. Implement appropriate management strategies for pediatric cervical spine injuries to optimize outcomes.

Accreditation: The Medical Society of Virginia is a member of the Southern States CME Collaborative, an ACCME Recognized Accreditor. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Southern States CME Collaborative (SSCC) through the joint providership of Inova Health System Office of Continuing Medical Education and Children's National Hospital. Inova Health System Office of Continuing Medical Education is accredited by the SSCC to provide continuing medical education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 2.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 2.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
