PROGRAM PLANNING INFORMATION

# Welcome!

The Office of Continuing Medical Education (CME) is excited for the opportunity to work together planning and producing a high-quality educational event for healthcare professionals. The Office of CME staff offers a variety of services to ensure that your program is a success. We partner with you to determine your individual needs and assist in creating a plan to produce a one-of-a-kind educational experience. This coordination and teamwork is integral to the success of both the planning process and day-of event accomplishments.

This package will serve as a guide on the roles and responsibilities for each team member on the planning committee. It also includes samples to create an interactive program agenda and captivating marketing pieces.

After reviewing this information, our team will schedule a meeting to begin the planning process. If there are remaining questions, please email the Office of CME (CME@inova.org) and we are happy to assist.

Sincerely,

The Office of CME

# Program Director Role & Responsibilities:

# ✓ Identify a planning committee

- This may include co-program directors, nursing, pharmacy, or additional multidisciplinary team members
- Please note you must have a nurse on the planning committee for nursing CE

# ✓ Partner with CME to complete CME application via ICMES.inova.org

- Develop SMART (Specific, Measurable, Achievable, Realistic, and Timely) learning objectives
- Identify any additional credit types that may be applicable (BOC, CEU, RRT, etc.)

# ✓ Identify preferred date(s) and time

- Fridays are preferred due to historically increased attendance
- Full day programs typically run from 7 a.m. to 5 p.m.
- Half day programs typically run from 7 a.m. to 1 p.m.

# ✓ Identify and invite event speakers based upon specialty and topics

• Provide CME with speakers' email addresses for further contact and management

# ✓ Partner with CME to create agenda, compiled of speakers' full names, credentials, and presentation titles

- Reference the example agendas within the package
- Simulations, demos, hands-on experiences and breakouts are encouraged

# ✓ Confirm cost center for expenses

- We strive to achieve a surplus however, if there is a deficit the supporting cost center is charged; surplus funds are split between supporting cost center and Office of CME
- Revenue is generated by registration fees, exhibitor support, and educational grants

# ✓ Provide CME names and contacts of medical supply and equipment vendors

- This is typically the largest source of revenue for the event a robust list and participation helps to generate a revenue neutral event
- A completed program agenda is required by vendors prior to soliciting their sponsorship of events

# Office of CME Roles & Responsibilities:

- Schedule a call or in-person meeting with the Program Director(s) and/or planning committee to complete and submit the CME application
  - Ensure learning objectives are SMART (Specific, Measurable, Achievable, Realistic, and Timely)
  - Review agenda timing for accuracy
- Review submitted CME application and submit for final approval by sponsoring department chair
- Confirm program adheres to the ACCME policies and commercial support standards
- Create event budget based off previous year or if new event using current rates for similar events
  - Update and distribute event budget including current revenue, expenses and projected profits/losses (see budget sample)
- Create a request for proposal and distribute to potential venues
  - Negotiate contracts with internal and external venues
- Develop and confirm event concept with Program Director(s) and/or planning committee
  - CME Office collaborates with a graphic designer to create event branding
- Identify marketing targets to purchase mailing list (i.e. physicians, PCP, NP, RN, applicable specialties, etc.)
- Manage speakers' event details, travel policies, reimbursement, disclosures, and required presentation following CME rules and regulations
  - Process speaker travel reimbursements by collecting speakers W9 and receipts

- Establish planning and marketing timeline and deadlines, send out bi-weekly emails with status updates
- Develop and distribute all marketing materials (see marketing samples)
  - Save the date or informational postcard
  - Poster
  - Digital screen image for all physician lounges and hospital digital signage,
     5 in 5, physician's briefs, Inovanet,
     and ICMES site
  - Customize an event brochure with all event details
  - Exhibitor prospectus including sponsorship packages
  - Constant Contact email blast templates and designs
  - Online event banners
  - Customized website for event (i.e. registration, event details, location time, speakers' photos, bios, agenda, exhibitor information, hotel accommodations, etc.)
- Contact all potential exhibitors with an invitation to participate as event sponsor
  - Manage confirmed exhibitors by collecting registration forms, payments, and providing onsite assistance
- ✓ Oversee sold sponsorships
- Provide onsite support during event, including room setup, registration, audio visual, catering, and exhibit coordination
- Schedule final debrief once all expenses have been reconciled and event evaluations complete (average 90 days post event)

# Save the Dates

# **Inova Sports Medicine Summit 2020**

Friday, May 1, 2020 | 6:45 a.m. - 5 p.m.

Inova Center for Personalized Health Conference Center 8100 Innovation Park Drive, Fairfax, VA 22031

The management and complexity of sports injuries can be difficult for athletic train physical therapists, and sports medicine physicians and surgeons. This one-day summit will concentrate on new and emerging techniques in sports medicine fro surgical indications, diagnosis, and efficient and effective treatment options to curr evidence-based guidelines. The summit will feature expert lectures and challeng case demonstrations that clinicians can use to address the varying needs of both athletes and active individuals. Hear from regionally and nationally acclaimed sp. medicine specialists from top NFL, MLB, NHL, NBA, university and U.S. Olympic te

## Are you a Resident or Fellow?

Submit an abstract and be chosen to present during the summit.

# 2020 Innovations in **Wound Management**

Saturday, March 28, 2020 Inova Loudoun Hospital Conference Center

Chronic wound care is an important subject that affects many different medical fields. Physicians, mid-level providers and nurses need to understand the basics of wound healing in order to provide the best care to their patients. This one-day conference will allow health care providers to learn current practices in wound care as well as background information on what causes a wound to become a chronic. non-healing wound, and what steps to take to facilitate wound healing. Presenters will provide both lectures and hands-on sessions

# **Target Audience:**

- Primary Care Physicians
- Podiatrists
- · Critical Care Physicians
- Physical Therapists
- · Nurse Practitioners & Nurses
- Physician Assistants

# 2020 Innovations in Wound Management

2020 Innovations in wound wanagement.

Chronic wound care is an important subject that affects many different medical fields. Physicians, mid-level providers and nurses need to understand the basics of wound henling in order to provide the best care to their patients. This one-day conference will allow health care providers to learn current practices in wound care as well as background information on what causes a wound to become a chronic, non-healing insection of the providers of the provider wound, and what steps to take to facilitate wound healing. Presenters will provide both lectures and hands-on sessions.

## Who Should Attend

This symposium is intended the following medical specialties:
Primary Care Physicians

## Learning Objectives

- Learning Oujectives

  1. List at least three appropriate specialists who may be brought in on a non-healing wound case and identify the impact specialists would have on care provided to the patient.

  2. Identify at least three comorbidities that impact wound healing.

  3. Examine the advanced modalities available in advanced wound healing centers so clinicians know when and why to incorporate advanced wound healing experts in to the care team.

## Accreditation Statement

# Credit Designation

Physicians may claim up to **7 credits in Type 1 CME** on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.

# **Program Schedule**

7:00 – 7:30 a.m.	Registration, Breakfast, & Exhibitors
7:30 – 7:45 a.m.	Introduction and Opening Remarks Timothy Lapham, MD
7:45 – 8:15 a.m.	Surgical Intervention: Part 1  Anatomical Structure that Leads to Wounds and Surgical Intervention  Cameron Phipps, DPM, AACFAS
8:15 – 8:35 a.m.	Local Flap Options for Non-Healing Wounds Kapli Verma, MD
8:35 – 9:05 a.m.	Special Populations: Part 1 Antibiotic Updates for Wound Care Stephen Weinroth, MD, FIDSA
9:05 - 9:20 a.m.	Break & Exhibitors
9:20 - 9:40 a.m.	Wound Care for the PCP Genevieve Petraglia, FNP-C, GNP-C, CWS
9:40 - 9:55 a.m.	Case Study #1 Case Studies Timothy Lapham, MD
9:55 – 10:25 a.m.	Vascular Management of Venous Disease Reagan Quan, MD
10:25 - 10:35 a.m.	Break & Exhibitors
10:35 – 10:55 a.m.	Lymphedema: The Nuts and Bolts Kathy Nadal, MPT, CLT-LANA
10:55 – 11:15 a.m.	Surgical Intervention: Part 2 Surgical Wound Closure Sandra Fearrington, MD
11:15 – 11:45 a.m.	Nutrition and Wound Healing Valuing Nutrition: Achieving Your Recipe For Success Pamela Durousseau, MPH, RDN
11:45 a.m. – Noon	Case Study #2 Case Studies Timothy Lapham, MD
Noon – 1 p.m.	Lunch & Exhibitors

# Program Schedule (continued)

	Special Populations: Part 2
1 - 1:20 p.m.	Under Pressure - Prevention!
	Monika Stolze, PT, DPT, ATP, NCS
1:20 - 1:40 p.m.	Special Considerations
	for the Nursing Home Population
	Lauren VIIIarreal, ANP, AGPCNP, CWS
	Case Study #3
1:40 - 2:05 p.m.	Case Studies
	Timothy Lapham, MD
	Breakout Session
2:05 - 3:15 p.m.	Breakout Session & Exhibitors
	Specialty Modalities/Supplies
3:15 - 3:40 p.m.	A Bridge to Healing: Use of Skin Substitute
	as Primary and Adjunct Therapy
	Timothy Lapham, MD
3:40 - 4 p.m.	Intro to Photobiomodulation
	Cara Radonich, RN, CWCA
4 – 4:15 p.m.	Closing Remarks
