GYdhYa VYf`%, 2024

12:00 – 1:00 p.m.

To claim credit,
text **WOYJUD**
to 703.260.9391

Target audience: Members of the medical staff all subspecialties, medical residents and students.

Learning objectives:

- Recognize differentiating features of antipsychotic-induced catatonia (AIC)
- Explore linkages between AIC and neuroleptic malignant syndrome (NMS)
- Review treatment options for post-episode care (clinical vignettes provided)

Accreditation: The Medical Society of Virginia is a member of the Southern States CME Collaborative, an ACCME Recognized Accreditor. Inova Health System Office of Continuing Medical Education is accredited by the Southern States CME Collaborative to provide continuing medical education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
