Target audience:

Multi-disciplinary team of pediatric subspecialists including cardiovascular surgeons, cardiologists, cardiac intensivists, advance imaging interventionalists, cardiac anesthesia, nurses, physician assistants, ECMO specialists, fellows and other clinical members

Learning objectives:

- Participants will review and understand each patient's unique current clinical course, imaging, and history.
- Participants will collaborate on an appropriate plan of care for identified scheduled and unscheduled surgical patients.
- Participants will improve patient care as a result of a shared understanding related to a patient diagnosis and planned interventions.
- Participants will be exposed to the available body of literature for the similar clinical conditions, review and apply guidelines of care wherever available.

Accreditation: The Medical Society of Virginia is a member of the Southern States CME Collaborative, an ACCME Recognized Accreditor. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Southern States CME Collaborative (SSCC) through the joint providership of Inova Health System Office of Continuing Medical Education and Children's National Hospital. Inova Health System Office of Continuing Medical Education is accredited by the SSCC to provide continuing medical education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 2.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 2.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
