

Menopausal Health Conference

In-person event
Friday, June 6, 2025 | 7:30 a.m. – 2:45 p.m.
Inova Center for Personalized Health

Dear Exhibitors,

On behalf of Dr. Inger Rosner, Program Director, we are excited to extend an invitation to you to exhibit at the Menopausal Health Conference! This premier event offers an exceptional opportunity to connect with leading healthcare professionals and showcase your products and services.

Maximize Your Visibility

By exhibiting in-person at this high-profile event, you will gain access to a diverse and engaged audience with areas of interest in cardiovascular disease, endocrinology, diabetes and metabolism, internal medicine, obstetrics & gynecology, oncology, primary care, sleep and urology. The conference will also attract physician assistants, nurse practitioners, nurses, and other allied healthcare professionals, all eager to explore the latest innovations in neuroscience.

Key Topics Covered

Our conference provides cutting-edge education on hot topics, including:

- Genitourinary symptoms of menopause
- Hormone changes during the transition
- Hormone replacement and cancer risk
- Cardiometabolic health
- Weight management
- Sexual Health including female sexual physiology
- Causes and management of sexual difficulties

The event will be held at the Inova Center for Personalized Health Conference Center, offering a prime setting for exhibitors to engage directly with top-tier healthcare professionals—some of the most influential buyers and advocates in the medical field. This is your chance to promote your products and services to decision-makers and key influencers within the medical community.

We would be thrilled to have you join us as an exhibitor at this dynamic and informative conference!

Warm regards,

Christine Resnick

Senior Program Manager, Inova Office of Continuing Medical Education
