Program Manager

Dear Potential Exhibitor,

On behalf of Program Director, Paula Ferrada, MD, FACS, FCCM, MAMSE, we would like to request your exhibitor support at our CME event, **Emergency General Surgery, Surgical Critical Care and Trauma Virtual Symposium** taking place virtually on **Thursday, April 30, 2026**.

This is a **virtual-only event** with an estimated attendance of **1,200–2,000 healthcare professionals worldwide**, offering broad visibility within a global clinical audience. We would welcome the opportunity to partner with you in support of this educational program.

Virtual Sponsor: \$500

- Full access to conference sessions for two representatives
- Verbal and name recognition the day of the conference on screen during the conference
- Company name recognition on:
- Marketing emails (approx. 5-7 email blasts to over 4,000 contacts)
- Introduction slides, break slides, and closing slides
- Post-event follow-up attendee email
- Exhibitor name listed on event website
- Post attendee registration list (for those that opt in)

This symposium is intended for the following medical specialties and professionals:

- Advanced Practice Providers
- Surgeons
- Nurses
- Emergency Medical Services Providers
- Other Allied Health Professional

The learning objectives are as follows:

- Analyze trauma resuscitation endpoints to apply evidence-based strategies for early recognition and
- management of hemorrhagic shock and trauma-induced coagulopathy, including the appropriate use of whole blood resuscitation.
- Assess complex trauma and acute care surgery presentations—including rib fractures requiring fixation, necrotizing soft tissue infections, and traumatic hernias—to determine optimal timing and selection of operative intervention.
- Apply trauma surgery principles used in austere or war-zone environments to civilian trauma, mass casualty incidents, and resource-limited settings to improve clinical decision-making and patient outcomes.
- Compare open, minimally invasive, and robotic surgical approaches in acute care surgery and select appropriate techniques to reduce morbidity, length of stay, and postoperative complications.

The Accredited Provider is Inova Health System Office of Continuing Medical Education and the accrediting body is the Medical Society of Virginia. Our Tax ID is 54-0620889. Learners will be eligible to receive up to **6.5 AMA PRA Category 1 credits™** for attending this activity. In accordance with ACCME regulations the exhibit space will be located outside and separate from all CME learning spaces.

If approved, funds for this activity can be paid online or mailed to:
