Target audience: Members of the medical staff, cardiology practitioners, fellows

Learning objectives:

- Recognize the clinical and echo features that should raise suspicion for prosthetic valve endocarditis in a high-risk patient
- Describe the diagnostic approach, including blood cultures, TEE, and adjunctive fungal testing when cultures are negative or nondiagnostic
- Review management principles with early surgical consultation and prolonged antifungal therapy for source control and improved outcomes

Accreditation: The Inova Office of Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
