- Define the differences between medical transfer of care and psychosocial transition to the adult medical system
- Review the data strongly supporting that structured transition programs improve outcomes
- Understand the vital components of a transition program
- Share how different hospital systems may need varied approaches, and how we can address these challenges

Accreditation: The Inova Office of Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.
