cme.inova.org**Target audience:** Members of the medical staff, cardiology practitioners, fellows**Learning objectives:**

- Review the clinical decision-making process for suspected acute allograft rejections in the early post-heart transplant period, with emphasis on balancing the risks of delayed treatment against the potential harms of empiric immunosuppressive escalations before definitive tissue diagnosis
- Evaluate system-level processes for multidisciplinary escalation and coordination in critically ill transplant patients, with emphasis on timely engagement of consulting services, diagnostic reassessment, and shared decision-making across specialties

Accreditation: The Inova Office of Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

Credit designation: The Inova Office of Continuing Medical Education designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 1.0 credit in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.
